

RN-BSN Completion Program

College of Nursing

Designed with
your life in mind.

In-Person

Participate in group discussion and benefit from face-to-face faculty interaction in a traditional classroom setting.

Online

Learn on your own schedule, from anywhere you want, while keeping up with your busy life through the BSN@Home program.

Assessment

Demonstrate mastery of key subjects by completing a competency assessment through our one-of-a-kind flex degree program.

You decide how to pursue your goals by choosing one, two, or all three ways to learn.

Your Life. Your Choice.
