

# WCN

## Digital Advertising

### 2026 Rate Card

The Wisconsin Center for Nursing website is a resource that potential nursing school students refer to when looking for a nursing school. The WCN Nursing Schools & Programs page currently is Number One when a Google Search is done for "Wisconsin Nursing Schools". Placing an ad for your nursing school puts your school in front of potential students. And supports the Wisconsin Center for Nursing.

See here: <https://wicenterfornursing.org/education/nursing-schools/>
